

SUSTAINABILITY

- ▶ Inventory loses its efficacy over time
- ▶ Brewers would rather fresh hops and malt
 - ▶ Seasonal hops are in demand
- ▶ High cost of storage and transportation

ACCESSABILITY

- ▶ Expensive purchasing costs for home brewers
- ▶ Hard for brewers to enter the market

SOLUTION?

- ▶ Distributed, open marketplace for brewers and breweries
- ▶ Ease of access for new brewers

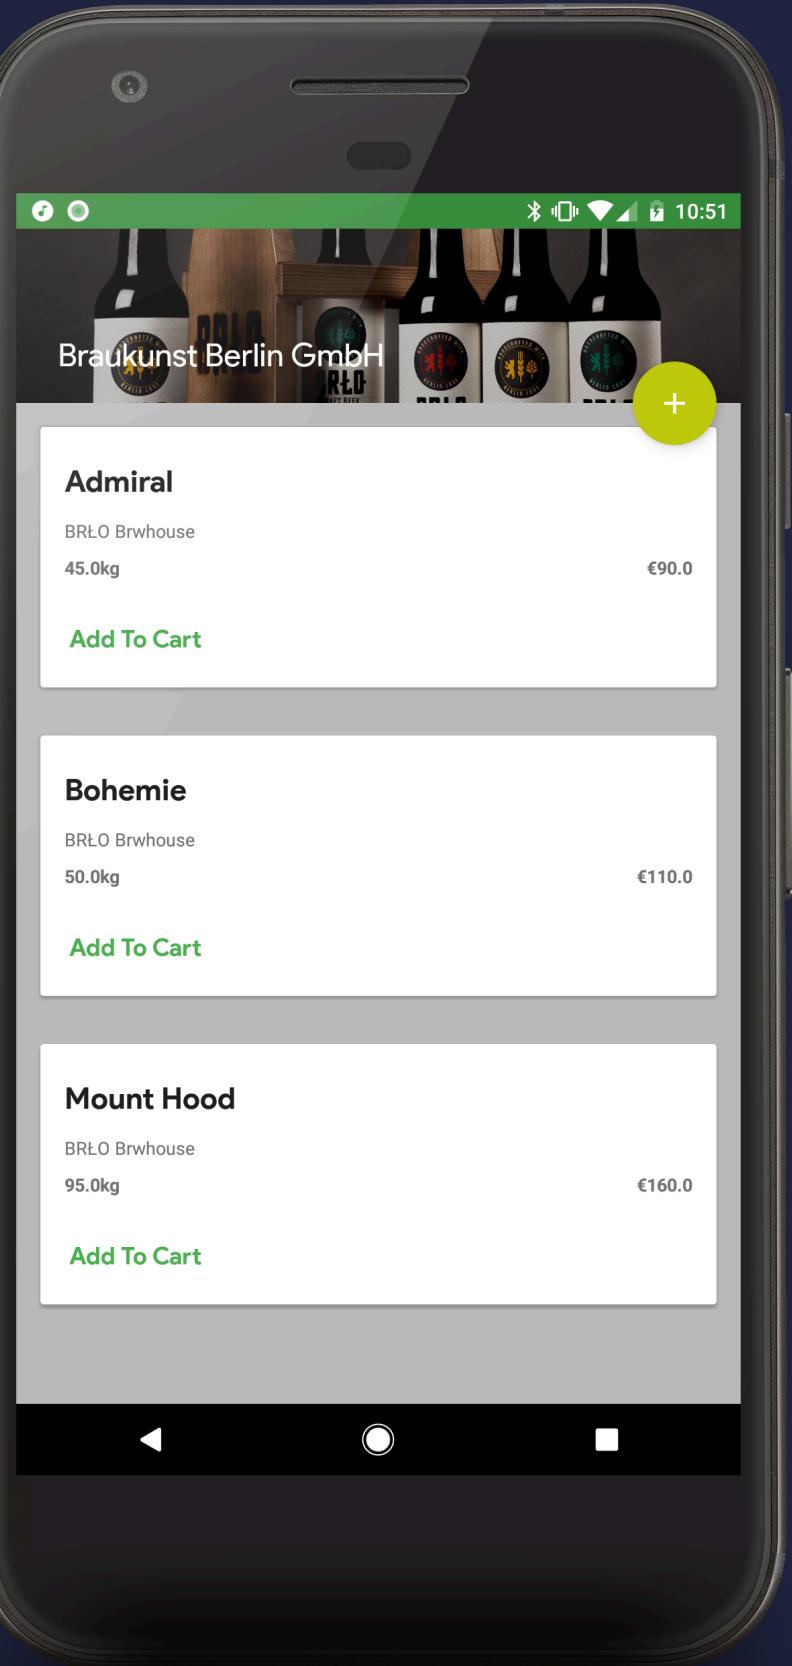

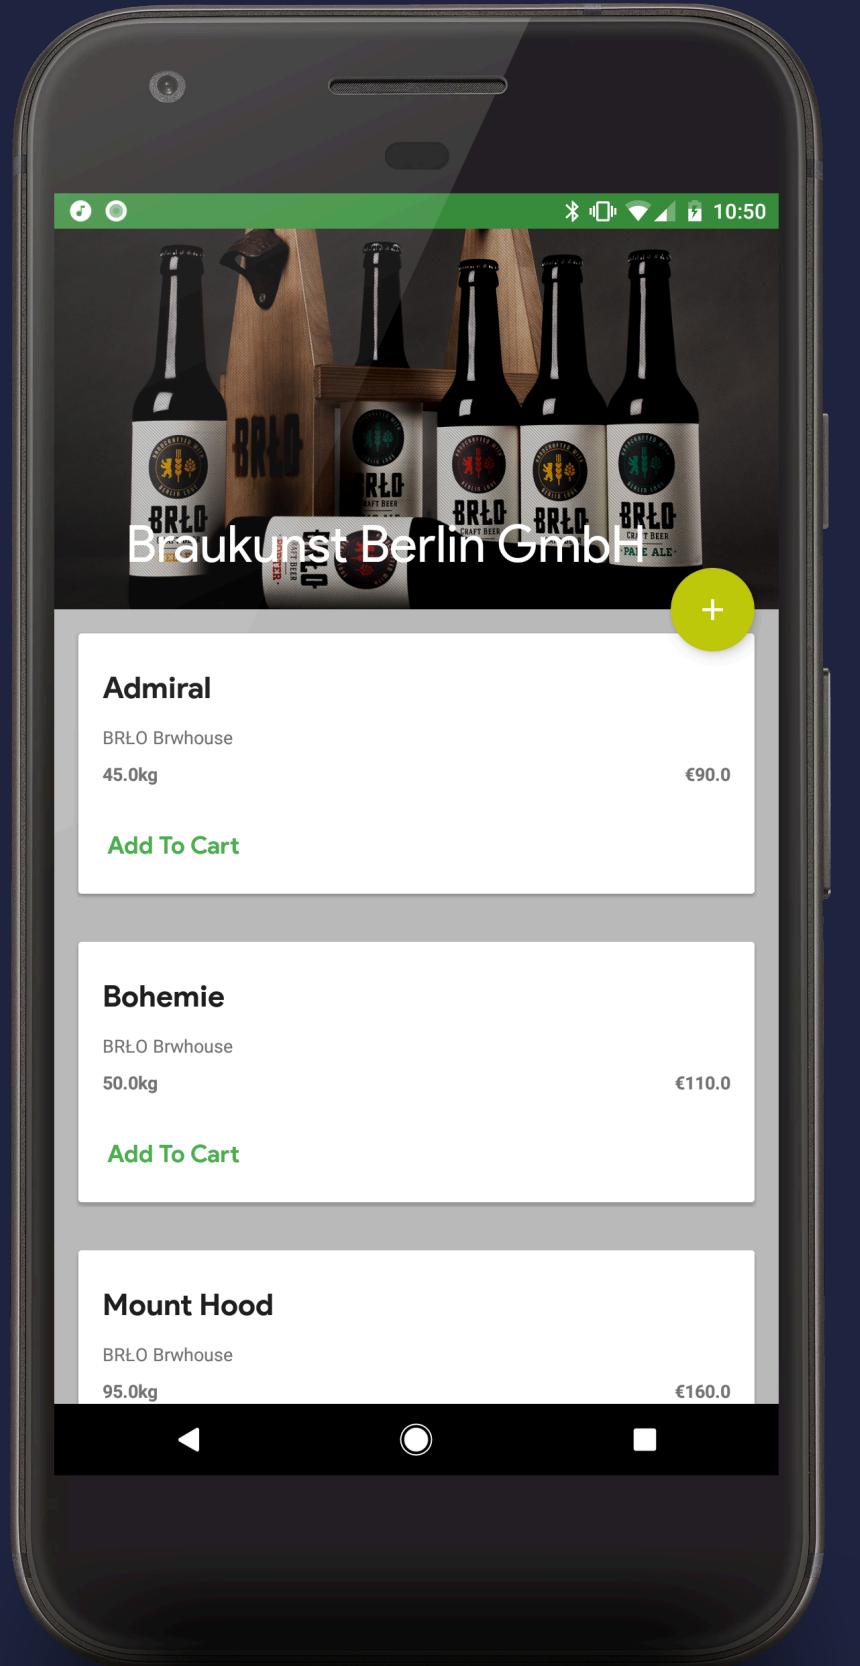

IMPLEMENTATION

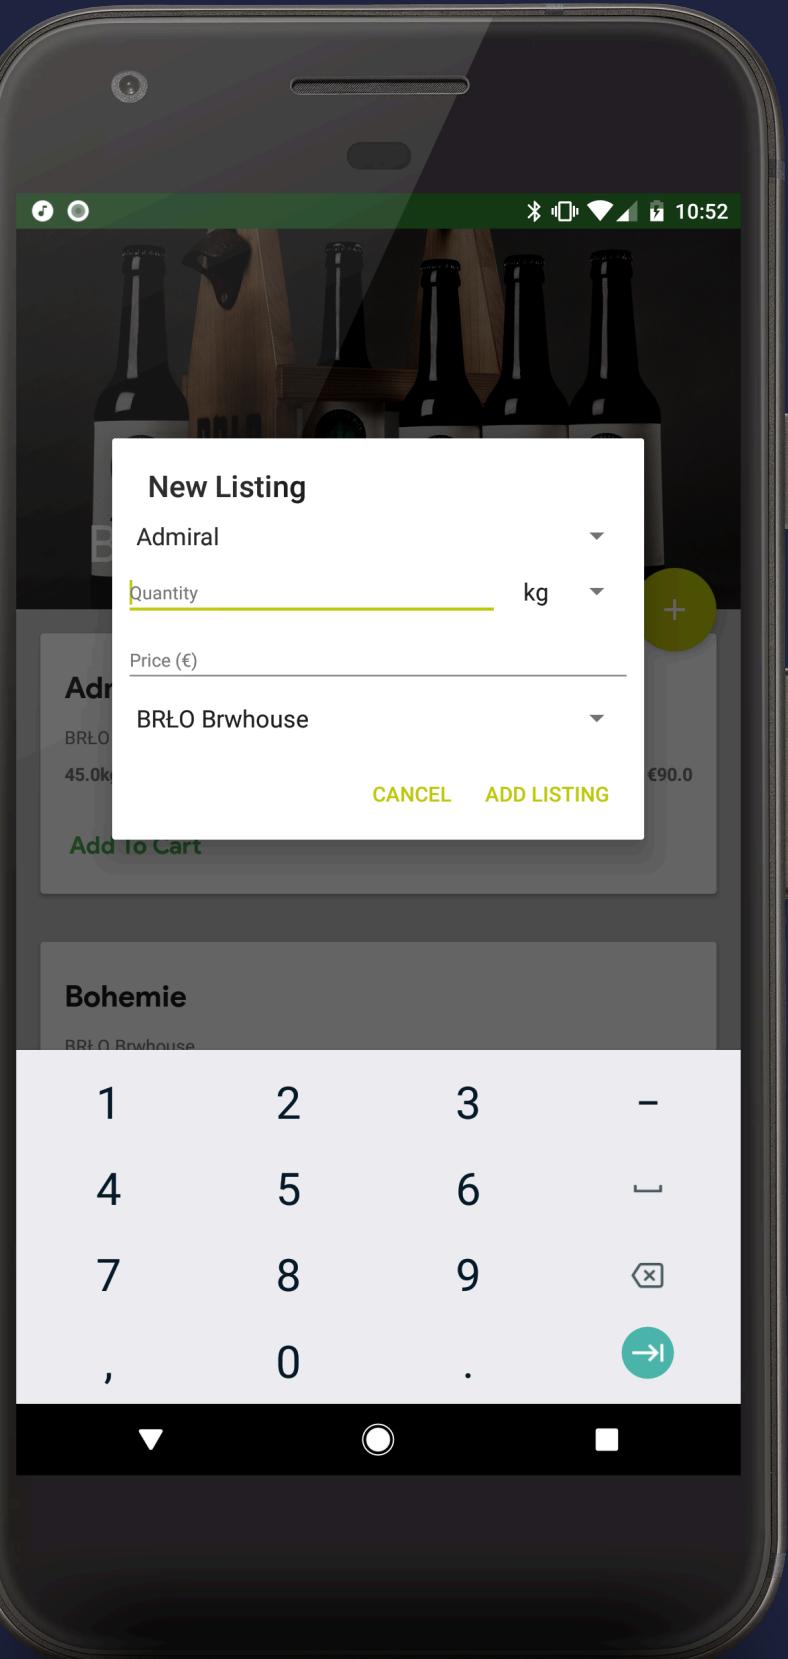

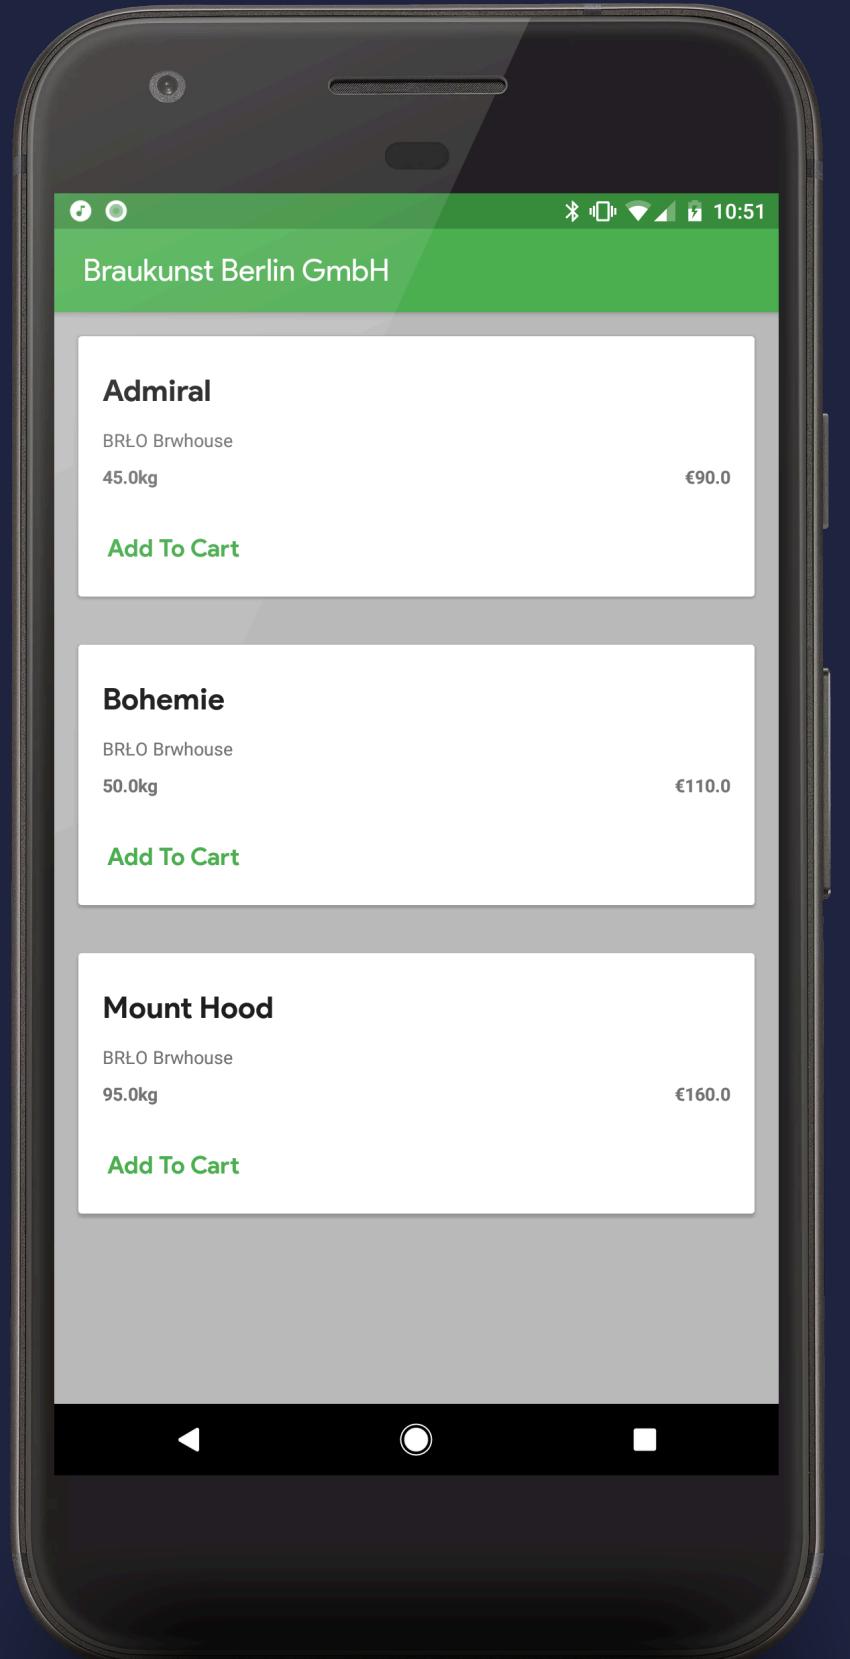

- ▶ Android focused, ios potential
- ▶ Untappd API for brewer verification
 - ▶ Google login also ;)

TECHNOLOGIES

- ▶ Kotlin, open source
- ▶ Android architecture components
- ▶ Firebase realtime database

SCREENSHOTS

FUTURE

- ▶ Open platform,
- ▶ Hops, Malt, Yeast, Spent Grains, Machinery
